

We are pleased to announce that we have recently affiliated our accounting practice with two quality certified public accounting firms, **Neddermeyer Bringard & Associates** and **Rossi & Company**.

With the additions of John Neddermeyer CPA, Gregory Bringard CPA, Jerry Rossi CPA, and Teri Kula CPA, we now have a professional staff of 11, including eight certified public accountants. With the inclusion of our new associates, we have added an entirely new layer of knowledge, experience and business perspective. We couldn't be happier.

There are many new services and areas of expertise we will be able to provide to you in the future. We look forward to discussing those in more depth with you individually. However, there are several things we want to point out that won't change. Those are:

- You will continue to work with the same people you have worked with in the past.
- Our fee structure will not be modified.
- The service we have provided to you in the past will continue.

We look forward to working together with you to provide continued service for all your accounting, tax and financial needs.
